★ SERENBE BED & BREAKFAST FARM, PALMETTO

Imagine a turn-of-the-century farm that offers quiet walks, cute barn animals and plenty of relaxation. A combination of the words "serenity" and "be," there's not a better country getaway so close to Atlanta.

Where to Stay

Accommodations include the Guest House, lake house or one of three cottages with varying bedroom arrangements. The Guest House is a restored 1930s barn with huge swings for afternoon naps. All rates include breakfast, afternoon tea, sweets at bedtime and daily maid service. (10950 Hutcheson Ferry Road, 770-463-2610, serenbe.com; from \$140)

Where to Eat

A full country breakfast is served each morning, but guests venture off the property for lunch and dinner. **Frank's Famous Family Restaurant** (1188 Collinsworth Road, Palmetto, 770-463-5678) offers hearty American fare.

Nearby Newnan offers an array of restaurants, but we're partial to **Ten East Washington** (10 East Washington St., 770-502-9100) for seafood, steaks and Continental cuisine in a candlelit setting.

What to Do

Hike through several miles of trails to see streams and two waterfalls. Or drive about an hour to Callaway Gardens.

Distance

About 32 miles from Atlanta.
